

MODEL 21B: LEAF SPRING SUSPENSION

The 21B is the most versatile, longest lasting suspension system designed specifically for the Heavy Duty market. Available in a wide variety of axle configurations, mounting heights, axle spacing and connection options, the Reyco Granning 21B is the best choice when trouble free performance is required for the long haul.

21 B Cast

21 B Fab

Features

- Standard long-life rubber bushings or optional poly bushings available. No metal to metal contact assures long life with little maintenance.
- No Hop available to prevent axle bounce.
- Cast steel axle clamp group.
- Cast ductile torque arm ends.
- Austempered Ductile Iron equalizers for lighter weight and extra long life.

Specifications

- Single, Tandem, Tridem, Quad, Quint, and more axle configurations.
- Flangemount, weld-on, and bolt-on hangers available.
- GAWR (gross axle weight ratings) of 18,000 - 26,000 lbs. per axle.
- Mounting heights range from 3" - 18".
- Axle spreads available from 42" - 109".

Trailer Applications

- Tankers
- Vans & Reefers
- Steel Haulers
- Flatdecks
- Lowbeds
- Drop-Frame
- Platforms
- Rear, Belly and Side-Dump

Axle Options

Reyco Granning offers a full compliment of axles available with brake shoes or with fully dressed wheel ends to meet every configuration need. Every axle supplied by Reyco Granning comes with the axle seat pre-installed, q+ brake shoes, pre-drilled and plugged for tire inflation systems and standard 24" long - 28" spline vcamshaft. Axle size options are as follows:

Axle Length O/D	Thickness	Spindle Type
71.5" 5" round	1/2, 5/8, 3/4	Tapered or Parallel
77.5" 5" round	1/2, 5/8, 3/4	Tapered or Parallel

Spring Options

A wide variety of spring options are available to match every configuration needed.

Leaf #	Weight Rating	Arch Type	Part #
1 leaf	12.5K	Medium	1563601
1 leaf	11K	Medium (44" only)	T7297
1 leaf	11K	Medium	T5555
3 leaf	11K	Medium	0837601
3 leaf	12.5K	Medium	2151101
7 leaf	9K	Medium	T3086
7 leaf	9K	High	T5547
8 leaf	11K	Low	T5592
8 leaf	11K	Medium	T3564
8 leaf	11K	High	T5597
9 leaf	13K	Medium	T7452
