COMPANY PROFILE

Reyco Granning Suspensions was formed by the merger and acquisition of two well-known names in the heavy-duty vehicle suspension industry: Reyco and Granning.

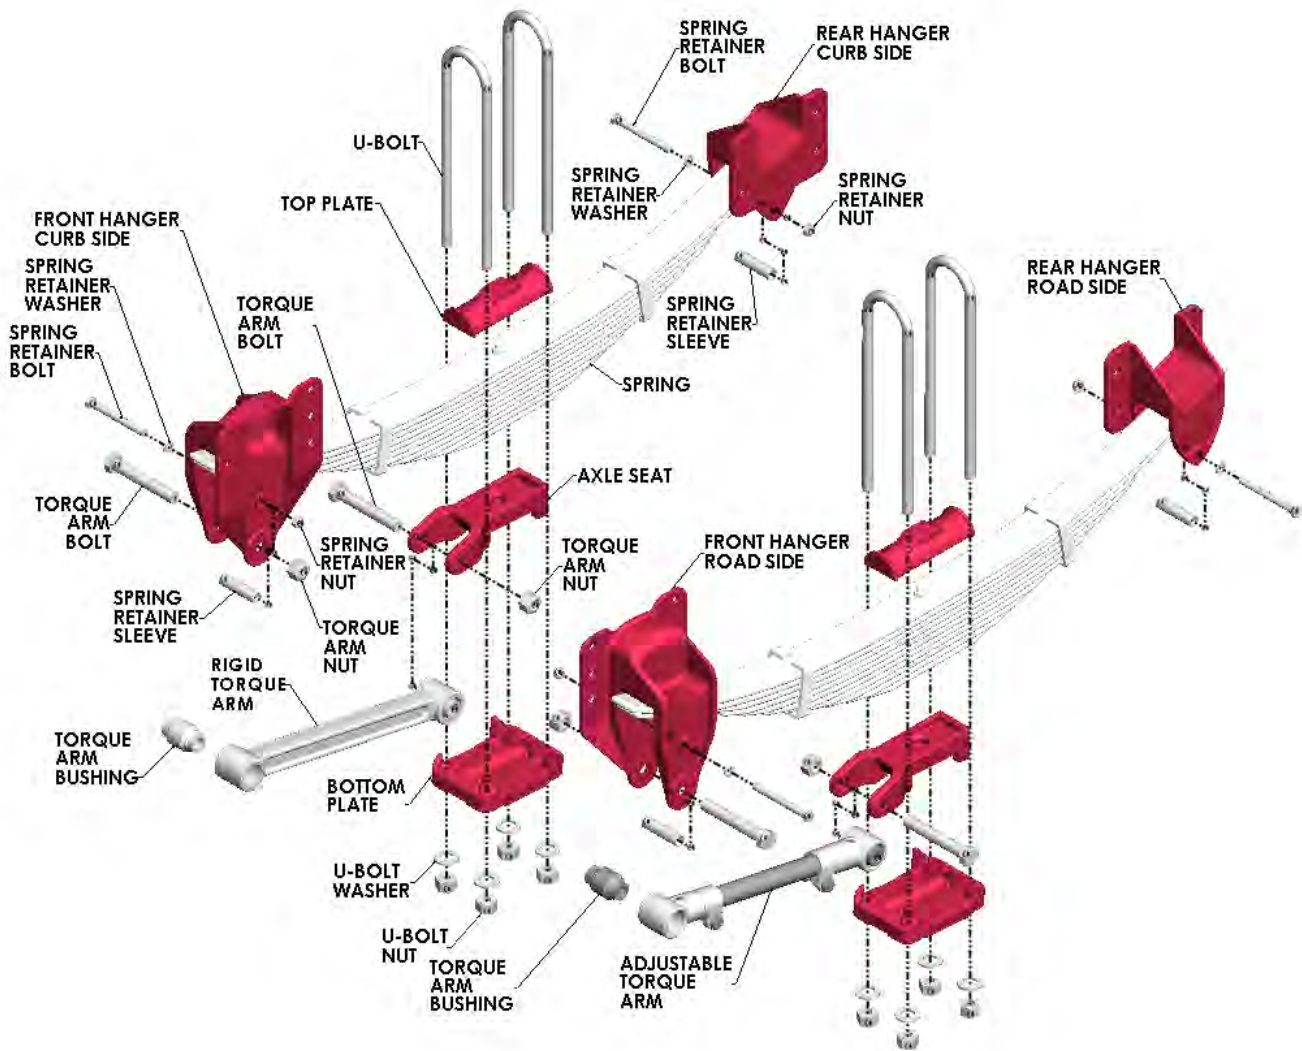

Reyco grew out of the Reynolds Mfg. Co. and was first known as a major supplier of brake drums for heavy-duty vehicles, and later developed a full line of air and steel spring suspensions for trucks, busses, trailers, and motorhomes.

Granning Air Suspensions was founded in 1949 in Detroit, Michigan as a manufacturer of auxiliary lift axle suspensions. Granning later became an innovator of independent front air suspensions for the motorhome industry.

Reyco Granning LLC was formed in early 2011 through a partnering of senior managers and MAT Capital, a private investment group headquartered in Long Grove, Illinois.

Reyco Granning manufacturing facilities are certified to the ISO9001:2008 standards, a globally recognized assurance that quality standards have been established and are maintained by regular rigorous audits.

This booklet contains the most commonly sold services parts. For additional parts, please contact the Aftermarket Customer Account Representative at: 800-753-1050.

Part #	Description
T2106	Spring Roller
0867701	Top Plate (Inverted U-bolt)
T7716	1" Spacer Block
T7655	2" Spacer (Duct. Iron)
1673201	Leaf Spring, 13,000 LBS Capacity
1632501	Leaf Spring, 10,000 LBS Capacity
1628601	Auxiliary Leaf Spring
1976201	Rigid Torque Arm (19 1/2" - with bushings)
1634801	Adjustable Torque Arm (19 1/4" - with bushings)
0972901	Torque Arm Bushing

NOTE: HANGERS DIFFER BY TRUCK MANUFACTURER - CALL YOUR REYCO CUSTOMER ACCOUNT REPRESENTATIVE FOR PART #s

Service Parts Model 79KB

Model	Part #	Item Description	Quantity
79KB	TK7424	Torque Arm Rebush Kit	1
		<i>Bolt, Hex 7/8-9 UNC 5.50 1-1/2</i>	1
