**Model:** 21B FAB  
**Topic:** Hanger Wear Pad  
**Effective Date:** December 10, 2002  
**ECR #:** 13826

A wear pad has been released for the use in both the front and rear hangers of the fabricated 21B suspension (21B-Fab).

It has been designed as a direct fit "OVER" the existing wear pad (Part # 08592-01).

Aftermarket customers can easily install the wear pad themselves, adding years of service to their suspension. Additionally, the wear pad can be installed right from the factory by asking the trailer OEM to install them at time of trailer assembly.

**To install:**  
**Weld across the front and rear face.**
